**INSTRUCTOR,
BOB AIKEN**

Bob Aiken has worked in the hardware business his entire life, including owning and operating his own stores. He has taught thousands of students the fundamentals of the important plumbing and electrical areas through his seminars for major wholesalers, the MHA, and other regional associations. In fact, Bob has probably taught your competitors the very fundamentals available to YOU at these sessions!

Mail or fax this form today!

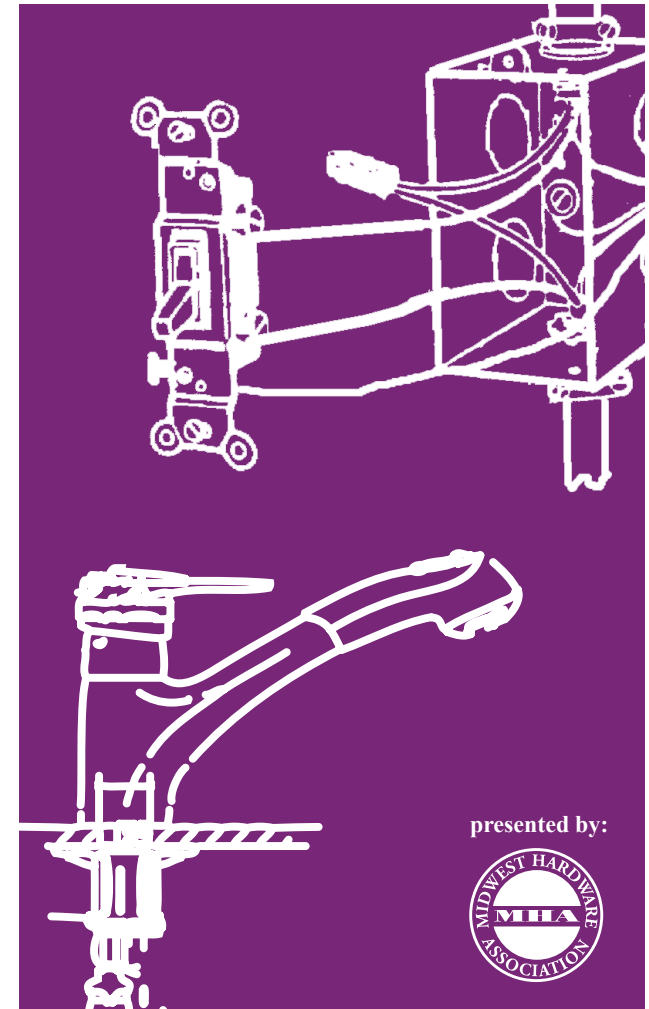

**Midwest Hardware Association
2801 Dixon Street, PO Box 8033
Stevens Point, WI 54481-8033**

Phone 800-888-1817 Fax 715-341-4080

MHA will mail you a confirmation letter, supply list, and map one week prior to the seminar.

**YOU AND YOUR STAFF
CAN LEARN FROM THE
BEST FOR ONLY**

\$179*
PER PERSON/PER DAY

HOW TO SELL PLUMBING SUPPLIES

In this plumbing session you will learn:

- Water supply design, fittings, and terminologies
- Understanding types of water supply materials-CPVC, PVC, PEX, Polyethylene, or Copper
- Determining the right product for the job
- How to solder and cement properly
- Repairing toilets and faucets, installing under-sink drainage, garbage disposal, dishwasher, and ice maker

Session includes both classroom and hands-on training

This one-day session is only \$179.00*

HOW TO SELL ELECTRICAL SUPPLIES

In this electrical session you will learn:

- How an electrical system works
- The difference between 110V and 220V, circuits, grounding, and national codes
- Understanding electrical panels
- How to wire switches, receptacles, and GFCI's
- Installation of a 3-way switch circuit
- How to select the proper cable for each job
- Electrical boxes-which box for what job
- Breakers, fuses, and wiring accessories

Session includes both classroom and hands-on training

This one-day session is only \$179.00*

You will need to bring gloves, safety glasses, and a short list of supplies from your store stock. A list of all the materials you will need will be sent to the store with your confirmation.

The class runs from 8:30 a.m. to 4:30 p.m. each day. Your registration fee includes location charges, speaker fees, workbook, and breaks.

Class size is limited to the first 30 paid registrations. Preference will be given to people registering for multiple days. Don't miss your chance to be a part of this in-depth training brought to you by your Midwest Hardware Association!

***** *Non-Members pay \$219 per person/per day*
